Forecast for Sunday 14 Aug 2022

Weather: Dry, sunny start with early mist on lower slopes at first, quickly dispersing. It will begin to cloud over later in the morning with scattered showers breaking out in the afternoon and evening. Some of the showers will be heavy and possibly thundery.

Chance of cloud-free hill tops above 800m: 90% lowering to 50% by early evening.

Low cloud and visibility: Good visibility for much of the time with increasing cloud amounts, mostly above the tops. Visibility will become poor as heavier showers pass by with extensive cloud cover above about 600m.

Met Office Aberdeen Meteorologist's View
Fine walking conditions in the morning but then an increasing risk of catching a heavy shower during afternoon and early evening. Small risk of thunderstorms.

Forecast for Monday 15 Aug 2022
Weather: Rather cloudy with further showers, some heavy and thundery. There will also be some drier, brighter interludes during the day.

Maximum wind: Winds will remain light, generally from a northeasterly direction, average speeds on tops of only 10mph.

Chance of cloud-free hill tops above 800m: 50%

Low cloud and visibility: Poor visibility near heavy showers when clouds will be extensive down around 600 to 700m. Periods of good visibility coming along too with clouds lifting and breaking up between the showers.

Temperature: **Glens:** 20 Celsius.
At 800m: 14 Celsius.
Freezing level: Well above the tops.
